***Please consider...***

1. You purchased your insurance to protect your Beneficiary in the event of your death. Can your Beneficiary manage without this protection?
2. If you need cash, your policy may have a loan provision that would give you almost the same amount of funds and allow you to continue the valuable insurance protection.
3. This policy cannot be replaced by a similar policy except at a higher premium due to your increased age, and obtaining a new policy would be subject to evidence of good health.
4. If this policy is not suitable for your present needs or financial situation, it may be possible to change to a different plan and/or amount of premium.

These are only a few of the points for you to consider. May we suggest that before taking any further steps, you talk to one of our representatives, who will be pleased to discuss your policy with you.
